Request for Proposal

July 21, 2020

The City of Kewanee is accepting proposals for the purchase of a new **Special Service Vehicle (SSV) Pickup Truck** to be used in our Fire Department. The following guidelines are to be used as minimum vehicle requirements for sizing, specifications and capacities. Please build your vehicle accordingly providing the manufacture specifications, standard appointments and options with costs. In section two please provide requested options if available with costs. Please note this vehicle is to be used as an emergency response vehicle and operated in such manner. If your manufacture provides options specific to emergency vehicles either factory or to be used by third party up-fitters provide information outlining costs and features of said options. It is the intent of the City of Kewanee to purchase a vehicle that provides the best value while meeting the requirements needed by the Fire Department.
