 - a. **Consideration of a request** from the Kewanee Chamber of Commerce for use of City streets for the Hog Capital BBQ event scheduled for June 16 & 17, 2017.
 - b. **Consideration of a Resolution** authorizing the City Manager to execute a Memorandum of Understanding with Local IAFF 513.
8. Council Communications:
9. Announcements:
10. Adjournment

MEMORANDUM

Date: March 9, 2017
From: Gary Bradley, City Manager
To: Mayor & Council
RE: Council Meeting of **Monday, March 13 2017**

CLOSED MEETING AT 6:30 P.M.
REGULAR MEETING AT 7:00 P.M.

1. **Murphy's** – Justin and I met and agreed on the approach to amending the City's ordinances. I will be benchmarking solid waste billing with other systems. We will establish a separate process for commercial accounts, after reviewing the comparables.
2. **Chlorides** – Testing at Well 4 is complete. The results were as good or better than expected. Peerless Pump is working today to seal the well at 1913 feet to do the test pumping and verify the draw down rate. If the tests show draw down of 100 feet or less, our chloride problems will essentially be in the past.
3. **BR&E** – The program will formally launch Tuesday, March 14th. We have gotten good response from the invitees.
4. **AFSCME Negotiations** – Negotiations are scheduled to begin March 20.
5. **Budget** – There will not be a budget workshop at this meeting. We continue to sharpen our pencil and try to hone the numbers. We look forward to a discussion when Council Member Yaklich returns from Las Vegas.
6. **Princeton**– I had a lunch meeting with the City Administrator in Princeton on Monday, March 6. The meeting was good because it allowed me to share some ideas with her of the things we are doing here that they would like to emulate. It also gave me a few ideas of things they are doing to address infrastructure concerns.
7. **Progress** – I have a meeting with Mike Berry tomorrow to answer questions he has regarding the City's efforts in Economic Development that the Star Courier would like to include in an upcoming Progress edition.

8. **Enterprise Zone** – Legislation was introduced to change the scoring process, effective immediately. Because the City would get 100% of the points on a category in question, we oppose any such change in this specific instance and oppose changing of scoring practices after applications are received just on general principal.
9. **Francis Park** – In the past the City has compensated a full time caretaker to live on site and collect money from campers. This year we had difficulty attracting someone with a camper to live rent free and earn a salary at Francis Park. We did find people willing to work there if we provided them with a camper (an expense I was unwilling to assume). After speaking with Kevin Newton, we determined that other options are available that can be implemented without incurring significant costs, perhaps even saving money. A copy of a memorandum from Mr. Newton is included in your packet.
10. **Prairie Green Apartments** – Everyone has been allowed to move back into Prairie Green apartments with the exception of the apartments on each side of the apartment where the fire began.
11. **Fencing Ordinance** – Staff is still waiting for any input/direction you might have regarding the language of the ordinance with regard to gardens. The item will be placed on the agenda for March 27th for consideration by the City Council (with changes if submitted and as written if none are received).
12. **CliftonLarsonAllen (our auditors)** – Our auditors will be providing training on Friday, March 17th. Debbie, Melinda and I will be attending this training, and will be out of the office all day.

**GROUNDS MAINTENANCE
MANAGER**
401 EAST 3RD STREET
KEWANEE. IL. 61443
PHONE 309 852-2611 EXT. 228 FAX 309 856-6001

Memorandum

Date: March 8, 2017

To: City Manager Gary Bradley

RE: Francis Park Employee Structure

From: Kevin Newton

With the difficult task of hiring a host for Francis Park we are forced to consider other options in employee structure that still provide a high level of customer service and take into account our budgetary responsibilities. Using our experience with past camping and tour seasons along with our operating practices and responsibilities I believe we can be successful with one Campground Caretaker. This position would be appropriately compensated in respects to responsibilities and work schedule.

Responsibilities include:

- Mowing and maintenance of Francis Park (approx 60 acres)
- Provide tours of the Woodland Palace during on duty hours and during the July 4th Festival
- Provide customer service to campers, patrons and Shelter House rentals
- Responsible bookkeeping for camping and tour payments
- Water quality control
- General maintenance of buildings and equipment.

Tentative work schedule **40 hours per week:**

Monday 8am - 12noon
Tuesday 12noon – 330pm
Wednesday 12noon – 330pm
Thursday 9am – 4pm
Friday 9am – 4pm
Saturday 8am – 430pm
Sunday 8am – 430pm

This schedule provides us with 7 days of park supervision and productivity to accomplish our responsibilities and provide customer service during our busiest days.

**COUNCIL MEETING 17-04
FEBRUARY 27, 2017**

The City Council met in Council Chambers at 5:30 PM with the Mayor calling the meeting to order and the following answering to roll call:

Andy Koehler	Council Member
Mike Yaklich	Council Member
Deann Schweitzer	Council Member
Kellie Wallace-McKenna	Council Member
Steve Looney	Mayor

Council Member Yaklich moved to adjourn to executive session at 5:31 PM pursuant to Section 2 (C) (1) of the Open Meetings Act for the purpose of discussing personnel, Section 2(c)(2) to discuss collective bargaining, and Section 2(C)(11) to discuss probable litigation. Council Member Wallace-McKenna seconded the motion. Roll call showed 5 ayes, no nays. The motion passed.

The executive session was adjourned at 5:55 PM on a motion made by Council Member Schweitzer and seconded by Council Member Yaklich. Roll call showed 5 ayes, no nays. The motion passed.

A budget work session was opened at 6:15 PM, with all members present. The budget session adjourned at 6:54 PM on a motion made by Council Member Schweitzer and seconded by Council Member Yaklich. Roll call showed 5 ayes, no nays. The motion passed.

Council Meeting #17-04 reconvened at 7:00 PM with Mayor Looney stating the Council is reconvening following an executive session discussion concerning personnel, collective bargaining, and pending or imminent litigation and a budget work session.

News media present were as follows:

Mike Berry	Star Courier
------------	--------------

The Pledge of Allegiance was said.

Mayor Looney asked for a moment of silence for our troops still fighting overseas.

Mayor Looney explained that the next items were placed on the consent agenda and were considered to be routine in nature to be passed as a whole with one vote of the Council. Mayor Looney requested that any member of the Council or the audience wishing to have an item removed from the consent agenda for individual consideration to make the request and the item would be removed and considered following the approval of the remaining consent items. The consent agenda included minutes from the February 13, 2017 Council Meeting, payroll for the pay period ending February 22, 2017 in the amount of \$188,940.13 and staff reports from Fire Department and Bock, Inc. The consent agenda items were approved on a motion made by Council Member Wallace-McKenna and seconded by Council Member Koehler. Roll call showed 5 ayes, no nays. The motion passed.

Mayor Looney reminded the audience to come up to the front to answer or pose any questions, so that viewers at home could hear the entire business taking place.

Bills submitted for approval totaling \$262,361.11 were approved on a motion made by Council Member Wallace-McKenna and seconded by Council Member Koehler. Council Member Yaklich questioned the heater at the depot. City Manager Bradley noted that there had been complaints about the heat at the depot. Staff has found that the heater installed was not the appropriate size for the depot, so a booster heater was installed. Council Member Yaklich also questioned the blades from Patriot Diamond. Public Works Operations Manager Johnson explained that the blades were diamond blades used for cutting pavement. Finally, Council Member Yaklich noted that we were still utilizing Westrum Leak Detection. City Engineer Nobel explained that a fire hydrant had been struck by a vehicle, which resulted in a large drop in water supply. Westrum was called in to assist in finding the leak. Several leaks were found, but there was still a small change in water usage being researched. Nobel also noted that the west clarifier was up and running at the Waste Water Treatment Plant (WWTP), and the east clarifier was down for the improvements, so the large water usage at the WWTP had ended. Roll showed 5 ayes, no nays. The motion passed.

CITIZEN PARTICIPATION

Mayor Looney asked if anyone wished to speak. There being no such requests Mayor Looney moved on to new business.

NEW BUSINESS

The Plan Commission minutes from their meeting held on February 23, 2017 were accepted on a motion made by Council Member Wallace-McKenna and seconded by Council Member Schweitzer. Roll call showed 5 ayes, no nays. The motion passed.

Ordinance #3873 granting a rezoning request for the east 25 foot of even width off the entire east line of land located at 144 Junior Avenue for R-2 One Family Dwelling to R-5 Multiple Family Dwelling was approved on a motion made by Council Member Schweitzer and seconded by Council Member Wallace-McKenna. Council Member Yaklich noted that the Plan Commission had recommended the approval. Roll call showed 5 ayes, no nays. The motion passed.

Ordinance #3874 granting a rezoning request and Special Use Permit to George Koustas, d/b/a/ Crowe Auto Group to allow for trailer sales and rentals was tabled, at the request of Crowe Auto Group, on a motion made by Council Member Yaklich and seconded by Council Member Schweitzer. Roll call showed 5 ayes, no nays. The motion passed.

Resolution #5037 awarding the Oak/Park/Prospect Storm Sewer Project to Legacy Corporation of East Moline, Il was approved on a motion made by Council Member Wallace-McKenna and seconded by Council Member Schweitzer. Council Members were glad to see the project, as the flooding had been a problem for awhile. Roll call showed 5 ayes, no nays. The motion passed.

Ordinance #3875 creating Chapter 158 Fencing Regulations was tabled to allow some additional changes to the temporary fencing section allowing fencing around a garden on a motion made by Council Member Yaklich and seconded by Council Member Schweitzer. Council Member Yaklich had made a motion to pass the ordinance with a second from Council Member Wallace-McKenna. Council Member Schweitzer questioned the need for a permit for temporary fencing around gardens. With the questions regarding fencing around gardens and the request for a potential amendment, Council Members Yaklich and Wallace-McKenna withdrew their previous motions. Roll call showed 5 ayes, no nays. The motion passed.

Ordinance #3876 creating Chapter 159 Swimming Pool Regulations was approved on a motion made by Council Member Schweitzer and seconded by Council Member Wallace-McKenna. Council Member Wallace-McKenna questioned the need for a permit for a \$10 pool from Wal-Mart. Community Development Director Edwards reported the section in the code that exempts those types of pools. Roll call showed 5 ayes, no nays. The motion passed.

Resolution #5038 amending guidelines for the use of incentives for Economic and Community Development was tabled on a motion made by Council Member Schweitzer and seconded by Council Member Yaklich. Council Member Schweitzer had made a motion to pass the resolution, with a second from Council Member Yaklich. City Manager Bradley noted that the changes requested at the previous meeting had been made, with the exception of the amount for the infill development, as there had not been a recommended amount. Council Member Yaklich made a motion to amend the amount of the infill development grant to \$10,000, with Council Member Wallace-McKenna seconding the motion. Council Member Schweitzer questioned the map of the area included in the program. With the additional questions from Council Member Yaklich, the motions to approve and amend were withdrawn. Roll call showed 5 ayes, no nays. The motion passed.

Resolution #5039 authorizing the City Manager to enter into an agreement with E&J Equipment for the purchase of a used sewer camera truck and Key Equipment for the purchase of a used sewer camera was approved on a motion made by Council Member Koehler and seconded by Council Member Yaklich. Public Works Operations Manager Johnson explained the benefits of the requested equipment, including a lateral launch to view the first six feet of connected lateral lines and the ability to repair connections by installing chemical grout, provided the pipes are intact. The equipment would be used for a proactive approach to sewer repairs, rather than the reactive approach taken in the past. The used equipment was in good shape, and up-to-date technology. Council Member Schweitzer questioned where the funds requested above the budgeted amount would come from, with City Manager Bradley explaining that they would come from the fund balance. Roll call showed 5 ayes, no nays. The motion passed.

OTHER BUSINESS

Council Member Wallace-McKenna commended the leadership from the Fire and Police Departments for working together through the recent tragedies in the community. She also congratulated area sports teams for their accomplishments.

Council Member Schweitzer also commended the system in place for the Police and Fire Departments. She congratulated the Boilers on their Regional win and the Bravettes on their State win.

Council Member Koehler asked for an update on Well Four. City Engineer Nobel explained that the pump was pulled on Friday. The chloride testing process would take place Monday through Wednesday. The bottom 120 feet of piping was quite rusty, and it was new five years prior. They would test pump the next week to determine capacity at different levels; after that, a formal proposal for depth and how much to seal off would be made to the Council.

Council Member Yaklich echoed the sentiments of Council Members Schweitzer and Wallace-McKenna. The safety employees had really been tasked over the last 3-4 weeks, and had done an excellent job. He urged citizens to allow the Police Department to do their job, and offered prayers to all those affected by the three tragic events.

Mayor Looney thanked Chief Shook for his detailed report. He also thanked staff for their service. He congratulated the Bravettes on their state victory, and wished the Boilers good luck on their Sectional game.

ANNOUNCEMENTS

Mayor Looney reminded residents of Daylight Savings Time on Sunday, March 12 and to spring ahead their clocks by an hour.

There being no further business, Council Member Schweitzer moved to adjourn the meeting and Council Member Yaklich seconded the motion. Roll call showed 5 ayes, no nays. The meeting adjourned at 7:50 PM.

MELINDA EDWARDS, CITY CLERK

Severe Weather Spotters Network

Keith Edwards, ESDA Director

kedwards@cityofkewanee.net

401 East Third Street, Kewanee, Illinois 61443

Telephone (309)853-1911 Extension 267

Fax (309)852-0948

February 28, 2017

To: Gary Bradley, City Manager

From: Keith Edwards, KPD CSO/ESDA Director

Subject: February ESDA Report

February 2: Attended the National Weather Service Emergency Manager Workshop in Davenport.

February 6: Delivered Verizon priority cellular phones to Wethersfield and Visitation Schools for Henry County EMA.

February 7: Siren Tests. All OK.

February 14: Scheduled ESDA meeting for March 8th and sent email to ESDA group.

February 21: Spoke with Donna Dubberke at the National Weather Service in reference to in service training for the Police and Fire Departments.

February 28: Severe Weather Threat. Spotters on standby. Conference call with the National Weather Service stated time was 5pm to 10pm. Threat: wind, hail and tornados. Kewanee took wind and hail damage. No rotation indicated. Some storms did turn tornadic after passing Kewanee.

P3: WX.001: The National Weather Service in the Quad Cities has issued a

Severe Thunderstorm Warning for,

Southeastern Henry County in northwestern Illinois,

Southwestern Bureau County in north central Illinois,

Until 445 PM CST

At 410 PM CST, a severe thunderstorm was located over Galva, or 8 miles southwest of Kewanee, moving east at 40 mph.

HAZARD,60 mph wind gusts and quarter size hail.

SOURCE,Radar indicated.

IMPACT,Hail damage to vehicles is expected. Expect wind damage to roofs, siding, and trees.

Locations impacted include,

Kewanee, Galva, Neponset, Bishop Hill and Kewanee Municipal

Airport.

PRECAUTIONARY/PREPAREDNESS ACTIONS,

For your protection move to an interior room on the lowest floor of a sturdy building.

&&

A tornado watch remains in effect until 1000 PM CST for north central and northwestern Illinois.

Event duration expressed in local time (Central Standard Time):

Starting: Tue 02/28/2017 04:10PM Central Standard Time

Ending: Tue 02/28/2017 04:55PM Central Standard Time

Hog Capital BBQ Challenge is scheduled for Friday June 16th and Saturday June 17th. We are looking at the possibility of changing the venue to the area downtown as shown above. Yellow outlines the areas we would like to use and are city property. Dark blue outlines areas that may be used (with permission) and are private property. The parking lots and section of 3rd Street would need to be barricaded any time after the businesses close on Thursday night and preferably no later than 6 am on Friday. The event will be finished most likely no later than 5 pm on Saturday the 17th. There will be some water barrels and trash receptacles still in the area until Monday but we will place these in a way that will not affect traffic or parking.

RESOLUTION NO. 5040

A RESOLUTION TO AUTHORIZE THE CITY MANAGER TO EXECUTE A MEMORANDUM OF UNDERSTANDING WITH INTERNATIONAL ASSOCIATION OF FIRE FIGHTERS LOCAL 513, AND DECLARING THAT THIS RESOLUTION SHALL BE IN FULL FORCE IMMEDIATELY.

WHEREAS, The City and International Association of Fire Fighters Local 513 entered into negotiations to develop clarity regarding the application of the Fair Labor Standards Act as it relates to a labor agreement between the parties that expires April 30, 2019; and,

WHEREAS, A tentative agreement has reached between International Association of Fire Fighters Local 513 and the City on language that clarifies the application of the Fair Labor Standards Act; and,

WHEREAS, The membership of International Association of Fire Fighters Local 513 has voted to ratify such agreement reached between the parties at a meeting held March 6th, 2017; and,

WHEREAS, The City Council finds it to be in the best interest of the City of Kewanee and public safety to execute a Memorandum of Understanding with International Association of Fire Fighters Local 513, said memorandum attached hereto as Attachment A.

THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF KEWANEE THAT:

Section 1 Attachment A to this resolution containing the Memorandum of Understanding between the City of Kewanee and International Association of Fire Fighters Local 513 for the labor agreement expiring April 30, 2019, is hereby approved.

Section 2 The City Manager is hereby authorized to execute said labor agreement referenced in Section 1 above.

Section 3 This Resolution shall be in full force and effect immediately upon its passage and approval as provided by law.

Adopted by the Council of the City of Kewanee, Illinois this 13th day of March 2017.

ATTEST:

Melinda Edwards, City Clerk

Steve Looney, Mayor
