Enclosed please find demolition requests for proposal for the following four properties all located within the City of Kewanee (Please read each proposal request in its entirety, as there have been some changes in the normal items requested such as seeding):

606 E. 11<sup>th</sup> St.  
611 N. Elm St.  
328 Rice St.  
706 Pleasant St.

The City is requesting that bidders present their bids on each property individually and one bid of all four properties bundled together as one all-inclusive bid for consideration.

These four demolitions are being executed under the Fast-Track (NON-JUDICIAL) Demolition outlined in 65-ILCS 5/11-31-1(e). This process offers the City a faster method of having an abandoned and dangerous structure demolished. The Fast-Track method is very specific to time frames and because of that, these four properties will need to be demolished by November 14, 2017. Bidders are encouraged to consider this deadline when submitting their bids.
