Scope of Work
Demolition of Building and related work at 813 W 4th St.

Bids will be accepted by the City of Kewanee prior to 10:00 a.m., March 8, 2018 for the demolition of the house, garage and related work located at the following address:

813 W 4th St., Kewanee, IL, legally described as:

*Lot 10 in Thackeray's Subdivision of Lot 8 of the E ½ of the NE ¼ of Section 32 in Township 15 North, Range 5 East of the Fourth Principal Meridian, situated in the County of Henry in the State of Illinois. Lots 11 and 12 of Block 1 of Bauer's Third Addition to the City of Kewanee, Henry County, Illinois
P.I.N.: 20-32-234-004*

Bidders must comply with the City of Kewanee Code of Ordinances Sections §150.075 - 150.081, Demolition of Buildings, which is available at City Hall. This includes providing proof of public liability insurance in the sum of \$50000.00 as required by §150.076.

Only clean debris permitted by the Illinois Environmental Protection Act section 3.160.b may be used as fill material. This means only uncontaminated broken concrete without protruding metal bars, bricks, rock, stone or soil generated from construction or demolition activities. The property **MUST** be inspected by the Director of Community Development after waste material has been removed and **BEFORE** filling of the basement or any other voids in the ground resulting from demolition. **FAILURE** to have the property inspected after removal of waste material will result in the contractor to excavate the property at the contractor's expense to allow for the inspection and approval of the City. The City may require an inspection of the fill material prior to it being placed in the ground at the City's discretion. All work is to be completed in accordance with 65 ILCS 5/11-31-1(e) Fast-Track (Non-Judicial) **Demolition and must be completed no later than March 29, 2018** after receiving notice to proceed from the City. The work consists of:

Demolish the existing house and garage on the site.

Remove and properly dispose of all rubbish, brush and debris located on the lot and in, and around, the buildings.

Remove all private sidewalks and patio.

Remove all private driveways including entrances from the street, culverts and reshape ditch to be inspected and approved by the City Engineering Department.

Replace 60 feet of city sidewalk.

Break apart all foundation parts for all buildings. Clean brick or concrete can be used to fill the basement of the house. All other must be removed.

Dispose of the demolition debris in a legal manner. All waste material shall be disposed of off-site. **Weigh tickets for dumping of the debris at a lawful site shall be provided.** No demolition debris shall be deposited at the Kewanee Solid Waste Transfer Station. The property MUST be inspected by the Director of Community Development after waste material have been removed and BEFORE filling of the basement or any other voids in the ground resulting from demolition. FAILURE to have the property inspected after removal of waste material will result in the contractor to excavate the property at the contractor's expense to allow for the inspection and approval of the City.

Provide a uniformly sloped surface, matching existing ground contours, after removing the buildings. Final layer of fill material to be clean topsoil free from clumps, stones, sticks, asphalt, bricks, or debris. Topsoil shall be applied in a layer a minimum of 12 inches thick. Said topsoil shall be capable of supporting turf grass growth.

Contractor to provide and perform seeding with a quality grass seed suitable for residential purposes.

Install mortar plug in the existing sanitary sewer service lateral at the property line. The inspection of the plugged sewer must be inspected by the City of Kewanee Director of Community Development or Public Works Coordinator. Failure to have this inspection will result in the contractor to excavate the site at the contractor's expense to allow for the inspection and approval of the City.

The City of Kewanee will obtain the required permits and cause the various utilities to be disconnected.
